**12:10:22 From Marc Farr to Everyone:**

In Kent we're linking data to design interventions for people with Diabetes, mental health issues and three long term conditions. Be great to come and explain our approach if people are interested.

**12:11:19 From Marc Farr to Everyone:**

Partner violence kick off today in Warwickshire, all agencies involved.

**12:13:00 From Paul Connell - Open Innovations (Formerly ODI Leeds) to Everyone:**

Please share thoughts q's and links in the chat :)

**12:13:38 From Marc Farr to Everyone:**

What has the COPI notice meant for Seb and Nigel in terms of making it easier to analyse MH data?

**12:16:34 From Marc Farr to Everyone:**

What about if you want to link to data from other providers i.e. acute/community etc? (to create a theogram)

**12:17:30 From Marc Farr to Everyone:**

Can you explain any extra IG considerations for MH data pls (more sensitive?)

**12:18:21 From Ruth Addison to Everyone:**

Is Public Health England Fingertips site going to continue?

**12:22:02 From Rowena Jacobs to Everyone:**

Hello everyone - please forgive the blatant plug, but we have a lot of expertise at the University of York in using the raw MHSDS data and will be running a 2-day workshop on how to use it in March next year (joint with mental health providers, commissioners and NHS Digital). Please send us your name if you're interested and we'll send you details when the course opens. <https://www.york.ac.uk/che/courses/mhsds-workshop/> Here are my details if you have any questions: <https://www.york.ac.uk/che/staff/research/rowena-jacobs/> Thank you!

**12:22:09 From Marc Farr to Everyone:**

Yes pls Seb for the link and we're publish

**12:22:29 From Paul Connell - Open Innovations (Formerly ODI Leeds) to Everyone:**

Hi Sebastien - can you do a guest post on the #ODSL technical blog please?

**12:22:37 From Rory to Everyone:**

Have you tried approaching NHSD for direct / better access to the data, rather than having to scrape the website?

**12:27:27 From Sebastien Peytrignet to Everyone:**

Link to GitHub repository <https://github.com/sg-peytrignet/MHSDS-pipeline>

**12:29:09 From Marc Farr to Everyone:**

Interested technically in where you're up to Nigel in terms of using SnowmedCT /ICD10 for example. Also, the concept of a spell was always challenging for MH, wondered what the developments there have been over last 10 years.

**12:29:28 From Marc Farr to Everyone:**

What about use of NLP or ML for the unstructured data Nigel?

**12:30:04 From Marc Farr to Everyone:**

(Monitor was regulator, now NHSIE)

**12:34:30 From Paul Connell - Open Innovations (Formerly ODI Leeds) to Everyone:**

What data could be published to help most ?

**12:36:58 From Andrew.Carroll to Everyone:**

For info, NHS Digital publish data quality dashboards, including SNOMED submission by providers. <https://digital.nhs.uk/data-and-information/data-tools-and-services/data-services/mental-health-data-hub?area=data-quality>

**12:39:19 From Marc Farr to Everyone:**

Rowena, can you come here and show us the results of your workshop next year

**12:40:16 From Rowena Jacobs to Everyone:**

I'd be very happy to provide a presentation

**12:46:01 From Rowena Jacobs to Everyone:**

We created the first linked data across the full patient care pathway for people with serious mental illness in this project which may be of interest to some of you:
